YINCAE Advanced Materials LLC has been selected for the 2014 Best of Albany Awards for Manufacturers

"Each year, in and around the Albany area, the Albany Award Program chooses only the best local businesses. We focus on companies that have demonstrated their ability to use various marketing methods to grow their business in spite of difficult economic times. The companies chosen exemplify the best of small business; often leading through customer service and community involvement. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Albany area a great place to live, work and play.

For most companies, this recognition is a result of your dedication and efforts as well as the work of others in your organization that have helped build your business. Your team is now a part of an exclusive group of small businesses that have achieved this selection." This was an excerpt from the Albany Award Program.

YINCAE is honored to accept this 2014 Best of Albany Awards for Manufacturers. YINCAE is the leading manufacturer and supplier of high-performance coatings, adhesives and encapsulants used in the computer microchip and optoelectronics industries.
