FOR IMMEDIATE RELEASE

Press Release

IPC APEX 2018 is 2 Weeks Away! Visit YINCAE at Booth 2732

(Albany, NY) 2/6/2018 – IPC APEX EXPO is just two weeks away! The trade show will take place at the San Diego Convention Center, in San Diego, CA, from February 27th to March 1st, 2018. YINCAE hopes you will stop by our booth # 2732, to learn more about YINCAE and the innovative products we have to offer.

YINCAE Advanced Materials offers innovative and premier products including: adhesives, thermal interface materials (TIM1/TIM2), board/package/wafer level materials, and coatings; many of which have been implemented by leading semiconductor manufacturers and Tier 1 microelectronic suppliers. YINCAE continues to exceed customer expectations and develop solutions for flip chip, CSP, BGA, POP, LGA, and many more applications. YINCAE hopes to see you at the exhibition!

To schedule a meeting with the YINCAE team during the exhibition, please email us at: info@yincae.com with a brief description of the meeting topic. You can also find more information by visiting our website at: www.yincae.com

* * * * *

Founded in 2005 & headquartered in Albany, New York, YINCAE Advanced Materials is a leading manufacturer and supplier of high-performance coatings, adhesives and electronic materials used in the microchip & optoelectronic devices. YINCAE products provide new technologies to support manufacturing processes from wafer level, to package level, to board level and final devices while facilitating smarter and faster production and supporting green initiatives.
