SMTA International 2015 Announcement VISIT YINCAE BOOTH 237 AT SMTA 2015

(Albany, NY) **August 20, 2015** – The SMTA INTERNATIONAL 2015, is one month away! SMTAI 2015 will be held at the Donald Stephens Convention Center in Rosemont, IL from September. 27th to October. 1th. Dr. Wusheng Yin, the president of YINCAE Advanced Materials, is going to be speaking at the conference. We sincerely invite you to stop by our Booth **237** to learn more about YINCAE Advanced Materials.

Dr. Yin will be presenting his white paper, “**A Lower Temperature Solder Joint Encapsulant for Sn/Bi Applications.**” This paper will focus on the trend of low temperature soldering processes such as using Sn/Bi alloy improve process yield. The paper discusses how YINCAE is able to help adapt to these changes through utilization of the products that it has to offer. Dr. Yin will be also talking about the groundbreaking products that YINCAE has developed and are commercially available.

YINCAE Advanced Materials, LLC hopes that you will come join us at the conference to learn about YINCAE and the products that we have to offer. YINCAE has exclusive products that no other company has developed. There is a lot that can be taken away from not only Dr. Yin’s presentation, but from SMTA International as a whole. YINCAE hopes to see you there at the SMTA International Conference. Please visit us at booth 237!
